Skin lotion SOFTAN

50 ml SUN151A

Characteristics

- Rich lotion with high-quality skin care complexes
- Even a small amount provides a long-lasting palpable skin care
- Smooth and silky skin (particularly suitable for dry skin)
- Lipid-replenishing and moisturising effect
- High-quality skin care with a protective and soothing effect

Areas of application

The skin lotion SOFTAN is a very high-quality and rich skin cream for all skin types. It has a soothing, lipid-replenishing and moisturising effect. Our skin lotion SOFTAN keeps the skin moist and smooth for a long time.

Application

The lotion can be used extremely sparingly. Apply approx. 0.5 – 1 ml from the dispenser onto the hand (a pea-sized amount is sufficient) and rub in gently. All that remains is noticeably smooth and looked-after skin.
